At least one recommendation should be from someone who can speak to your walk with Christ (spiritual mentor, pastor, leader, etc). This should NOT be someone from the ministry at Cornerstone that you plan to intern with (including both volunteers and employed workers).

An additional recommendation should come from someone who can speak to your performance, strengths and difficulties on an academic, working, or professional level (i.e. an employer or teacher).

Agreement:

By signing, I confirm that all above information is accurate and honest to the best of my knowledge. I have not omitted any information that I reasonably believe would reflect unfavorably on the church's decision regarding my admittance into the Internship Program. I agree to cooperate with Cornerstone Staff and will follow church policies throughout the entirety of my time as an intern. I will remain above reproach in my personal activities and in my relationships with all students. I submit to an international background check upon consideration for this position.
