Drive-In Church

at 10 AM on Sept. 13, 2020

Arrive early to park between 9 & 9:45 AM

Tune your Radios to: 95.3 FM

[Click here for song lyrics](#)

THE SERVICE

- **Tune radios to: 95.3 FM**

- The radio frequency by which you can listen in to our Scriptures and message will be posted clearly at our event. We will also be broadcasting via external speakers, but those have a limited range.
- Note that this will only work in the Cornerstone parking lot. You cannot listen to the service on your radio at home, but we will be live-streaming to our YouTube channel.
- We will be broadcasting arrival music stream prior to start of service
- **Offering boxes** or receptacles will be available outside onsite in a drive-past capacity for those who want to make physical offerings.

ONSITE LOGISTICS

- Service begins at 10:00 am via radio broadcast. **Come early!** Parking from 9:00 am to 9:45 in the upper lot
- **Latecomers** may be directed to park in our lower lot nearer the church entrance.
- **Parking attendants** will guide you on how to park your car. Cars will be spaced at least one parking space away from each other, with some rows parking forward, some backed in, so that everyone is "facing" the stage.

Health & Safety Precautions

- We are utilizing a small handful of servants for parking and worship to make this event happen. **All servants will be wearing masks** (and where applicable, gloves) and all worship leaders will be utilizing their own private microphone. When worship leaders are not facilitating our service they will return to their cars. **Everyone will practice social distancing.**

- Everyone is asked to **remain in your vehicles**. There should not be any reason for anyone (other than servants of the event) to get out their cars. There will be NO access to the bathrooms. We appreciate everyone's understanding that we are not allowing any access to our building.
- It is our hope that once parked congregation members would **turn their vehicles off**. In case that strains someone's battery, we have jumper cables onsite.

Click here for song lyrics

- We are offering four music moments. Lyrics for those are posted in this message, but singing will be optional and only performed from within our cars. Again, there will not be reason to exit your vehicle, and we appreciate everyone's understanding of the United Methodist Church's commitment to keeping people safe and healthy.
- **Tune radios to:** 95.3 FM

UNABLE TO ATTEND?

The service will also be live-streamed on our Youtube channel:

https://www.youtube.com/channel/UCki77NOV0GZbRx_900GEXBw

Recording of the service will be made available Sunday afternoon on our Youtube channels.

THANKFUL FOR EVERYONE'S GRACE AS WE
OFFER THIS UNIQUE WORSHIP SERVICE!
