

RESONATE CHURCH

Hello Cornerstone Church Family!

Wow, it's been a while since I have seen you guys! How are you? I miss getting to worship and praise Jesus with you all. First off, I just want to say thank you from the bottom of my heart for always being so for me and loving me through the lens of the Gospel. In high school I did not understand this and I desperately needed it. Once I moved to Ellensburg, I really started to take my faith seriously and I decided to follow Jesus during February 2019. Since this, I have been able to look back on my time in youth group and the summer children's ministry internship and see Jesus more and more through it all. Your ministry truly set me up for a lifelong relationship with Christ and for that I am eternally thankful and grateful. I have never felt as much familiar love, hope, and peace than I have in my time at Cornerstone. I miss you all tremendously and I cannot wait to come back and visit as soon as I can!

It's crazy that I'm already nearing the end of my junior year here at Central! Life has been absolutely crazy over the past year. Of course, the pandemic radically changed all of our lives, but God was still moving and present through it all. Last year gave me many opportunities to deeply grow, experience, and love life. From lifelong friends, lows, and highs, I know I will cherish these years for the rest of my life. As you may know through Resonate, God has led me to some powerful mission trips. From Elevate San Diego to a winter break serve trip in Boise and a spring break serve trip in Missoula, I have tasted and seen God's faithfulness and power overwhelm my soul and His people!

After all this experience, God has opened the door for me to go on a mission project to New York City with Resonate Church for about a month and a half this summer called Elevate International. During this project, I will join students from other Resonate sites, with a focus on reaching people from other nations. Our summer project will consist of missional living training with celebration, teaching, and worship nights.

Our team will be spending July 3rd through August 16th in New York City experiencing what it is like to be part of international ministry. This project is designed to help us as students grow in interpersonal skills through hands-on experience in helping existing church plants through the North American Mission Board. We will be developing relationships with international students, making new contacts, and understanding the makeup of the city to assist our full-time planters in making disciples.

First for this specific trip, it is so important that I have people praying for my team and I as we embark on this mission to the other side of the country. Would you be willing to commit to praying every day for the team and I while we are in New York? Secondly, please pray and consider being a financial partner with me on this project. The total trip cost is \$3,000 per person for lodging, food, and all other expenses as well as

transportation costs. Would you consider investing \$50, \$100 or some other amount to send me on this project? I have full confidence that the joy, light, love, and freedom of Jesus needs to be brought and shared to city of New York and specifically the international people there.

If you would like to join me in this, please make your check payable to "Resonate Church." Please do not put my name on the check, but rather include a slip of paper directing it to be applied toward me and my trip with "Elevate International New York and Molly Bartlett". Please send it directly to Resonate Church: PO Box 1605, Pullman, WA 99163. Your donation is tax deductible. I can always send you this link via email or text message as well. This option does take out 3%. Your donation is tax deductible.

If I do not hear from you by the beginning of May, I will attempt to contact you to see what you have decided. I can answer any questions you may have at that time but feel free to call or text me at 253-332-8191 or email me at mandmb18@gmail.com. Regardless, thank you for praying, caring, and being a part of my team and life!

I hope that you are all staying safe and that you have a great Spring and Summer. Thank you for being so kind towards me my entire time I have known you all! You are such a light to this world!

Blessings,

Molly Bartlett ☺
