

Requirements for Drive In Services

First, our outdoor services have an out-of-car attendance limit of 50 people. But don't fret! We've made a plan to include more than 50 people by simultaneously holding this service as a drive-in (and of course, via live stream on YouTube for those who will view from home)!

So, when you register for our service (which you can do online using Google Forms at this link: <https://bit.ly/3td1fgl>), you will have two options:

1. Designated Seating in which, you will have to do the following (limit 50):

- Fill out our online registration
- Bring your own lawn chairs
- Everyone must wear a mask the whole time
- Stay in a designated area for your family
- Maintain a 6-feet of social distance from other families (the designated family spaces will actually be 12-feet apart, as an added caution for singing – but yay, we can sing!)
- We are limited to 50 people in this capacity; we will do our best to track registrations and close this option on the form when it is full.

2. Drive-In Seating in Your Car in which the following guidelines apply:

- Fill out our online registration
- You will need to stay in your car; the service will be transmitted over FM radio
- You do not need to wear a mask with your windows rolled up
- Our parking lot is the capacity, so we hope to have space for many participants!

3. If the weather is horrible (raining buckets, hailing, lightening, snow) we will send out an email that Sunday morning letting you know the service will be live-streamed only. Be sure to check your email that morning if the weather is horrible.

The final note (as is mentioned on the registration form) is that we must ask you to stay home if:

- You or anyone in your household have tested positive for COVID-19 in the past two weeks
- You or anyone in your household is sick or have a fever of 100.4 or more
- You or anyone in your household have been exposed to someone who has tested positive for Covid-19 in the past two weeks.
